

Sjælland Rundt (Around Zeeland)

Helsingør Yacht Club

Thursday the June 29th 2017

Notice of Race

1 RULES

- 1.1 For Racing classes the rules as defined in The Racing Rules of Sailing (RRS. Part 2) and The prescriptions of the Scandinavian Sailing Association and the Danish Sailing Association will apply. During the night the International Regulations for Preventing Collisions at Sea (IRPCS) will apply. For standard classes the classrules will apply
- 1.2 For Cruising, Two- and Singlehanded classes the International Regulations for Preventing Collisions at Sea (IRPCS) will apply during the whole race. It is mandatory to have your nationality flag raised during the race, to show that "The Racing Rules of Sailing" do not apply for your boat.
- 1.3 Furthermore the following shall apply
- Penalty for breaking a rule in part 2 can be less than a disqualification, if decided by the protestcommittee.
 - Rule 40 is changed in a more restricted way for Single- og Twohanded classes see part 10 and 11
 - Boats who do not show the SR flag secured to the backstay, from the 1st. Start to end of maximum sailing time expose, might have 1 hour added to the elapsed time.
 - Rule 48.2 is changed; Sailing in the Traffic Separation Zone is not allowed. Boats infringing this rule will have a penalty from 1 hour to DSQ.
 - Protest between Racing- and Cruisingboats will be handled according to The International Rules for Prevention of Collisions at Sea (IRPCAS), and the decision cannot be appealed.
 - Rule 60.1(a) and 62.1(a) are changed so protests/request for redress is not possible for some parts of the sailing instructions.
 - Rule 61.1(b) is changed so the protests from RaceCommittee / Protestcommittee will only be posted on the official noticeboard
 - Rule 62.2 is changed; so that the time limit for a request for redress on the last day of the regatta is shorter the rule says.
 - Rule 66 is changed; so that the time limit for a request for a reopening on the last day of the regatta of a hearing must be submitted to the Race Office is shorter than the rule
- The exact wording of the changes will appear in the Sailing Instructions.
The sailings Instruction can change other racings rules as well.

1.4 CERTIFICATES

Racing Class: Measurement/Class certificates are mandatory. Participants with a non-Danish made certificate shall bring a copy at the registration. Change of the certificate can be done by mail not later than June 14th.

ROUNDING DIRECTION

Recommended rounding direction will be displayed from the flagpole in front of the clubhouse followed by a sound signal at 08.00 on the racing day. The final rounding direction will be displayed at the starting wessel. Green flag Sjælland on starboard. Red flag Sjælland on port.

10 SAFETY

It is the skippers responsibility to secure that the boat is in a proper condition, and equipped after the recommendations from "Pleasure Craft Safety". There will be extra demands for Twohanded- and Singlehanded classes.

10.1 SAFETY EQUIPMENT CONTROL

If a control on safety equipment ref. Point 11 and 6.2 before the start shows that equipment is missing. Missing parts shall be in place before the start or the boat have to redraw from the race. At a control ref. 6.2 after the race shows missing safety equipment, the skipper has to verify that the equipment is used under an emergency. If this demand was not followed the boat will be scored DSQ.

10.2 SPECIELLE RULES for double- og singlehanded sailing

When sailing as "double- or singlehanded" it requires larger demands for security. When a boat is racing it is required to wear a floating jacket with light and safety harness (from starting signal to finishing).

On deck and cockpit personal buoyancy shall be worn.

Crew members on deck or in cockpit shall always wear safetybelt with a safetyline attached

It is always the crewmembers own responsibility to take the seamanlike evaluation to connect the lifeline or not.

To increase security for Singlehanded rules regarding breaks will apply.

10.3 USE OF ENGINE

It is allowed to use engine during sailing, for charging – this shall be reported in the logbook with time and location.

Single- and Twohanded boats may use the engine to get free from run aground, time and location has to be reported in the log book.

When sailing port of refuge, port for rest or anchorspot it is allowed to use engine in the harbour from a radius of 100m.

While rescuing the motor may be started.

Use of the motor shall be reported in the Logbook with time and location.

11 Security equipment

The following equipment is a requirement for single- and twohanded classes:
